

NWPA Minutes 9/9/09

PTO Members Present: Paula Ball, Theji Brennan, Janice Carson, Charlie Herrin, Denick Herrin, Annie Hirshler, Bruce Hotaling, Irene Junior, Jay Junior, Dave Lauhoff, Olga Skvortsova, Sandya Taghavi

Activities

Reserved Sugartown Strawberry Farm for the 25th of October (Hayride). Amy Marren, Amy Shoumer are running Activities, Kate Hoover joining. Olga offered to help in some way

Newsletter

Discussed transition to Kat Springer (including software needs). Spent some time discussing moving to paperless newsletter and offering members an “opt out” for 12 months. We will likely pick some date in the future where newsletter will be electronic only. Will put the request for “paperless” on the membership form.

Finance

Annie Herschler reviewed finances. Our levels are normal for this time of year. NWPA received a thank you from the Radnor Memorial Library regarding our latest contribution.

Website

Discussed new website availability and status of the old domain (waynepa.com). The old domain will be owned by NWPA but is being loaned to Greg Pritchard for the new Wayne Historical website. Annie to send card and \$150 in charitable donation to Arpit Mathur (website architect) as a thank you. AmericaCry is the charity.

Welcoming

Carla Vastine is taking over. The McCormick welcoming is complete. Discussed new neighbors that need to be visited. Cunninghams at 414 Oak Lane. Verified that the welcome package still includes the cookbook (we have a lot still).

Zoning

Discussed activities. Discussion about former residence of Dr Porter (being knocked down and replaced with single family home).

Discussion about local businesses, especially Readers Forum. They are receiving legal help currently. There is some member opposition to the new outdoor dining area next to the jewelers and the spa on N Wayne. Board members saw no issue with it.

Discussion about VFMA moving away from middle school focus and signing up more collegiate programs (Misrecordia extension was just signed). Attendance is up.

Closing

Discussed need for a Vice President and potential candidates. Marc Herschler was top candidate (he subsequently accepted).
